Farrier - Mr Robert Barnbrook.

The report for the Heavy Horse magazine

As the Camborne Show ground is on the North West Cornwall Coast there was a pleasant breeze from the Atlantic to keep the temperature bearable during the July heat wave. In spite of the unusual weather conditions the show attracted some 20 horses and all classes were well supported. Plus there was a great deal of interest in the addition to the schedule of a new Ridden Class. Thanks to generous benefactor a magnificent trophy was on offer. Our Judge Mr Keeling from Fishguard, Wales was most complementary about the quality of horse flesh on display and the standard of their presentation. Thanks to all who concerned for a brilliant 2013 Camborne Show.
